

PLAN ANNUAL SPRING DINNER of Mokena Chamber of Commerce. General chairman is Ralph Ordman (seated), operator and one of the owners of Park and Shop food market. With him are Frank O. Grey (left), Chamber president, and Fred Lehmann, secretary. The dinner is to be given Sunday, May 16, at Willowbrook, 8900 Archer ave., Willow Springs. Following the dinner the C. of C. members and guests will dance to the music of Wayne King, noted orchestra leader, who is making a one-night appearance at Willowbrook. Tickets for the dinner, which also cover the dancing, are \$5 each. They may be purchased at the Chamber of Commerce office, 11009 Front st., the Mokena Pharmacy and the Mokena State bank. Residents of the community are invited.

Will Rebuild Francis Rd. From Wolf Road To Village Limits

Plans are being prepared for the rebuilding of Francis rd. between Wolf rd. and the western boundary of the village.

The cost of the project is estimated at \$12,000 but the county will assume half of the cost, it was stated by Village Engineer Ralph Yunker. The village share will come from motor fuel tax, it was explained.

This section of Francis rd. develops holes continuously, it was pointed out because it was not constructed for the amount of traffic it now carries. It is to be graded and rebuilt as was Front street between Wolf rd. and Division st. Curbs and gutters are to be installed.

There is a stretch of Francis rd. -- several blocks in length -- that lies outside the village that is also in need of repair, it has been pointed out.

Village Engineer Yunker was instructed to prepare figures of the cost of extending sewers into the Scott street area. A committee representing residents of the area attended the board meeting to inquire as to what procedures were necessary to become annexed to the village. Village Attorney Ronald Galowich explained the steps that have to be taken.

Trustee Marvin Weitendorf suggested that persons who used the sewer sys-

tem but not water should pay a higher rate than \$5 bimonthly, stating that this charge does not pay for the service received. Trustee Istel objected, stating that he believed it would be more fair to increase the rates for everyone rather than just the sewer users. The subject was turned over to the water and sewer committee for further discussion.

Trustee Chase reported that radar tests at several spots in the village many drivers to be exceeding the speed limits but no decision was reached as to whether the village should buy or lease such equipment to slow down traffic.

Weitendorf is to get an estimate of the cost of repairing a leak in the elevated water tank.

Fall Breaks Glass Panel In Bath, Man Badly Cut

A fall in the bathtub that resulted in the breaking of a sliding glass panel has put an Arbury Hills resident in Silver Cross hospital with severe lacerations, and it is expected that he will be a long time recovering.

The victim is Dale DeGriese, 40, of 9509 W. Willow lane. He was injured Sunday afternoon and was taken to the hospital in the Gornick ambulance with Mokena Police Chief Roy Newton clearing the way. Newton was called to the home first and aided in getting the injured man into the ambulance.

According to the chief the bathroom at the DeGriese residence is divided with the tub in the middle. Frosted glass panels enclose the tub

on both sides. When DeGriese stepped into the tub, Newton said, he apparently slipped and fell back against a panel that serves as a door. The glass is thick but Mr. DeGriese is a large man and fell back against the door with sufficient force to break it. The broken edge cut deep, severing muscles and penetrating to the bone.

The victim lost considerable blood and was given four pints in transfusions at the hospital.

Raise \$189 In Sale Of Easter Seals At Mokena

The Easter Seal sale at Mokena netted \$189.12, it was reported by Henry Clark, chairman.

Proceeds from the Easter Seal sale are used to aid the physically handicapped.

"I am grateful to the residents of the community for their response," Mr. Clark said, "and I would also like to take this opportunity to express my appreciation for the work accomplished by the solicitors."

Those who made the door-to-door appeal for the fund included, the Mesdames Edward Wassaltis, Frank Dixon, Leonard Decker, Herman Lorenz, Wesley Sippel, Bernard Hoogstra, and the Misses Sarah Sippel, Joyce Harling and Carol Benson.

Village Voters Elect Mayors, Board Members

Area voters turned out in force Tuesday for the village elections.

An unusually large number, 629, cast ballots in Frankfort, which meant that only 112 of those registered in the village failed to turn out at the polls.

Glenn Warning was elected mayor and the candidates for trustees on his ticket, Independent No. 1, were victors, but Wayne DePorto, contending for village clerk against the veteran Walter Pfaff, was defeated by a narrow margin.

At Mokena Eric Book was elected mayor on Independent Ticket No. 2, defeating Charles Swanberg, the incumbent, who is also president of the Mokena park board. Book was the only one of his ticket to survive, however. The total vote there was 474.

This was an "off-year" at New Lenox. Mayor and village clerk were elected two years ago. This year the voters chose three trustees. Three incumbents ran and two were re-elected, Wilbur Thackrey and Robert Randolph. The other incumbent, Don Anderson, was defeated.

The Frankfort election was the hot one in the area. George Sangmeister, Sr., father of the state's attorney, who had served as mayor of Frankfort for 32 years, was not a candidate. There was a hassle over the drafting of tickets and as a result a large vote turned out.

Daniel Hecht, who has been active in affairs of the American Legion and the community for quite a number of years, and this year is completing a term on the village

board, was nominated for mayor on the Citizens Republic ticket. He polled 162 votes to Warnings top heavy 460, going down by 308 votes.

This year he had Sangmeister's support, as did the other members of his ticket. Sangmeister openly prophesied at the end of a recent village board meeting that the Citizen Republic ticket would be beaten. As it turned out he was right, except for the office of village clerk which was won by Pfaff, who has held the office for more than 40 years. DePorto, who ran against Pfaff, was a former member of the village board.

Three trustees were elected, Lynn Kohlhausen, who formerly served on the board but did not seek reelection when his term expired four years ago; Gerald Francis, who is employed by the Standard Industrial Compound Co., and James McLemore, superintendent of maintenance at the Superior Match Co. plant.

Defeated were Milton Subbert and Wilbert Klier, incumbents, and Lester Heisner.

At Mokena Book, who is chief of planning and estimating for Andrew Corporation, of Orland Park, had a plurality of 88 over Swanberg, polling 275 votes to Swanberg's 187.

Alvin Sorensen, unopposed for village clerk, received 365 votes.

The candidates for trustee on the ticket with Swanberg were all victors, Clarence Zugenbuehler, an incumbent, Roy T. Richardson, local merchant, and George H. Bills, who is with the Johns-Manville Co. Losers, who

were on the ticket with Book, were Edward L. Haislet, James F. Quinn and William K. Sheridan.

A vote of 400 was recorded at New Lenox.

Wilbur Thackrey, who is employed by the Caterpillar Co. was completing a term to which he had been appointed when Gene Hunt became ill. Tuesday Thackrey was running on his own and led in the voting with a tally of 328; Jack Batson was next with a total of 293, and Robert Randolph, who is employed by Illinois Bell Telephone Co. received 226 votes.

Don Anderson, who has been serving as police commissioner, failed to repeat. He polled 183 votes and the fifth candidate in the race, Carl Becker had 128.

Welsch Lumber To Hold Anniversary Open House

The Welsch Lumber Co. of Mokena is celebrating its 15th anniversary this week-end. The firm is holding open house at which it hopes to greet its old friends and make new ones. There are to be prizes and refreshments, and various demonstrations.

People are invited to come to the display rooms at 19747 Wolf rd., -- just south of the Rock Island crossing -- Friday evening and all day Saturday. Factory representatives of leading manufacturers of building items will be on hand to demonstrate the installations and features of their products.

Demonstrations showing the installation of new suspended ceilings, waterproof wall panels, paint and other items will be featured.

It was in the spring of

1950 that "a new building and material store and warehouse," was opened at Mokena. That was Welsch's. Many improvements have been developed over the years.

For example, in 1961 the display area was completely remodeled and enlarged to four times its original size. That same year the company became the sole distributor of certain species of unusual eucalyptus from Australia.

Largely thru the efforts of Bill Welsch, general manager, the Big Buck Lumber Co. was formed in 1964. This firm, with which Welsch Lumber is affiliated, operates at eight locations in two states. Thru its membership in Big Buck, Welsch Lumber is able to offer the

advantages of chain type operations without sacrificing the friendliness of hometown owners.

Derwinski Seeks To Guard Elections Against Fraud

Congressman Edward J. Derwinski (R., 4th) introduced a bill April 12, to protect the integrity of every man's vote. "While the recent emphasis has been on

so-called voting rights, any legislation enacted would be meaningless if votes are canceled by others illegally cast, if voters are illegally registered to vote, or if votes cast are not counted properly," Derwinski pointed out.

"My bill would apply to federal elections and make it a federal offense for anyone to give false information as to his name, address, or length of residence in a particular election district. Under the terms of the bill it would also be a Federal offense for anyone to conspire with another to register falsely or to vote illegally, or to offer or accept money or something of value in exchange for registering or voting," the congressman explained.

Derwinski also noted that the bill would make it a federal offense for anyone to destroy or alter any ballot or record of voting made by a voting machine or otherwise or to fraudulently count or fail to count any vote in a federal election. Penalties for violation would be fines of up to \$10,000, imprisonment up to five years, or both.

"Certainly, there are many examples of such voting abuses to be found in many parts of the United States," the local representative said. "Who can forget the famous incident in Chicago in the 1960 election when in one precinct 82 votes were cast altho the voting list showed only 22 qualified voters? This legislation would be effective to correct such abuses -- to guarantee a man that the vote he casts will be cast in a clean election, will not be diluted by an illegally cast ballot, and will be properly counted and tabulated."

Federation Sets Contest

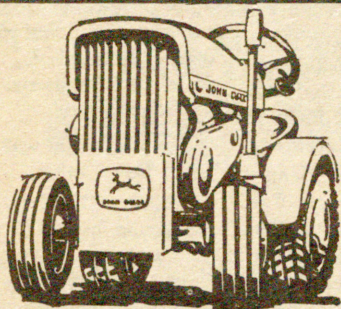

South Cook County 4-H Federation will hold a demonstration contest at 7 p.m., Thursday, April 29 at the Farm Bureau hall, Tinley Park.

Two demonstrations will be selected to represent the county in the state contest to be held at the Illinois State Fair.

Believe Strep Outbreak At Mokena Is Nearing End

An outbreak of "strep throat" in the Carpenter Street school at Mokena last month is still being followed by the Will county health department.

School officials are of the opinion that the infection is practically ended but the health department will not sound an "all clear" until they know the result of tests to be taken next Monday.

The first tests were made March 3. There had been several cases of scarlet fever reported in the village and a number of pupils were complaining of sore throat. School officials called in the health department and tests taken March 3 of 172 pupils and employees of the Carpenter Street school for hemolytic streptococcus. Thirty-three children and three school employees were found

to have the germ in their throats. By March 24 an additional 12 pupils and six family members had reported strep infections.

County health officer, Dr. Herbert S. Miller, pointed out that "strep throat" was not uncommon but such infections did require immediate medical attention. He noted there were other conditions besides streptococcus infections that resulted in sore throats. To prevent overlooking the dangerous sore throat due to strep germs he recommended that parents check with their family physician when children develop sore throat.

Strep infections, he added, can cause rheumatic fever, and persons with rheumatic fever or rheumatic

heart disease should be protected against streptococcus infections since each attack can cause increased damage. To have such protection these patients must have continuous treatment, it was stated. Drugs for such treat-

ment are dispensed by the county health department on the order of the patient's physician.

The Will county health department maintains a rheumatic fever control program which includes a registry of

rheumatic fever patients, Dr. Miller explained. The department also conducts epidemiological investiga-

tions to insure that all persons are notified if they have been exposed to streptococcus infection.

Offer Career Guidance To Sandburg High Students

BY GRETCHEN DIGMAN

Carl Sandburg's second annual career night is scheduled for Tuesday, April 27 at 8 o'clock. All students and parents are invited. Miss Pauline Butler, counselor, is in charge.

The purpose of the program is to help students decide on a career, with the guidance of experienced people, their counselors and parents. Students can also learn the qualifications of their chosen career and what they must do to qualify.

There will be over 50 vocations represented with qualified consultants in every area. Students are advised to decide what careers they are interested in hearing about before they

come. When they arrive at school they will be given a list of careers and the room number to which each consultant has been assigned. There will be three sessions so each student may hear about three vocations they are interested in.

Each consultant will speak on his vocation's advantages and disadvantages, describe the work, personal requirements, education needed, size of field and number of workers in the occupation, future in the field, salaries and other economic returns one can expect. Each period will be 30 minutes long with a 10 minute question period at the end. Five minutes will be allowed to pass from one session to the next.

Some of the careers talked about will be accounting, banking carpentry, data processing, electric industry, F.B.I., hotel and restaurant work, law, mechanical engineering, newspaper work, office work, peace corps, radio, secretarial work, teaching, veterinarian, welding, X-ray technician, and more.

"Vocational opportunities are changing rapidly today and everyone should keep alert and be prepared to meet the competition for tomorrow's job possibilities," Miss Butler said.

Anyone who has any questions about the program is asked to consult Miss Butler.

Orland Cemetery Association To Meet April 30

The Orland Memorial Park Cemetery Association is to hold a meeting at 8 p.m. April 30, at the Orland Park Methodist church and all persons interested are invited to attend.

Following the business session there will be an election of officers. W. R. Schussler, an official of the Orland Park State bank, is president of the association.

The cemetery is located at 153rd st. and West ave.

New rate reduction on gas heat is happy news for everyone!

(almost)

Are you still heating with expensive, space-consuming fuel—instead of enjoying clean, dependable, low-cost gas heat? CHEER UP. The change to gas heat is easy. The comfort and savings are great. Gas costs less than any other fuel. And the cost keeps coming down. In fact, our \$7.2 million rate reduction, effective April 1, is the sixth major reduction since 1962. Small wonder that 99% of all new homes in Northern Illinois Gas territory have gas heat.

Convert to low-cost gas heat now. Your heating contractor offers EASY-PAY-PLAN financing, with up to five years to pay. No money down. Payments as low as \$3 a month. Gas heat savings soon pay for the conversion. And you'll keep on saving year after year. Visit your heating contractor, or call Northern Illinois Gas Company at the number listed below and ask to talk to one of our heating experts.

Woman's Club Elects Officers For 1965-66

Telephone: 479-3521
When members of the Mokena Woman's Club met recently in the home of Mrs. Louise McGann, Kohlwood Estates, nominations and election of officers were named as follows: Mrs. Harold Beebe, first vice-president; Miss Adeline Semmler, second vice-president; Mrs. William Miller, treasurer; Mrs. Charles Craigmille and Mrs. Robert Olson, directors. Mrs. Louis Richards, president and Mrs. Vivian Shoop, secretary are retained for another year.

Mrs. August J. Buletmann, chairman of the antique and hobby show, said the show has been cancelled due to the registered dealers rescinding their offer. The club gave Mrs. Buletmann a vote of thanks to all the personal time and effort she had given the preliminary work.

Mrs. Franklin Weber, District and local conservation chairman, reported the annual conservation workshop scholarship for this coming summer has been awarded to Miss Nancy Ferris, of Sacred Heart high school. She will attend a two weeks course at Southern Illinois university, Carbondale.

For the May meeting, Mrs. Weber, is asking all club members to bring plants, seedlings or seeds for exchange in answer to roll call. Kindergarten chairman, Mrs. Robert Best, gave a report pertaining to Step-up day for incoming pupils for the fall term has been set for May 7 with graduation exercises for the present class to be held on May 28. The county health nurse has set the day of May 20 for eye testing examination for the kindergarten pupils. Mrs. Best also announced 20 children have been signed up for the 1965-66 school year with five vacancies to meet with maximum number of students to be enrolled in the class. Mrs. Robert Watson, present teacher, has been retained for teaching next year's class.

Mrs. Louis Richards, club president, stated the club entered the Shell Oil Company contest and has been awarded an honorable mention. A press book of the local club has been entered by Mrs. Florence Pitman, chairman, at the 11th District contest of Illinois Federation of Woman's Club.

The honorable mention award will be presented to the club at the Illinois Federation of Woman's club convention set for May 4, 5, and 6 at Chicago with Mrs. Richards attending as a delegate and Mrs. Robert Mackey and Mrs. Best as alternates.

Other club dates include, Mrs. Mackey, representing the local club at a meeting with the Chamber of Commerce in preparations for the coming Fourth of July celebration to be staged by the local organizations of the community.

The Illinois Federation Woman's Club 11th District annual meeting will be held Thursday, April 22 at Elmhurst College with Mrs. Louise McGann of the Mokena club, being honored as outgoing District treasurer. Reservations are to be made with Mrs. Richards on or before April 19.

fore April 19.

The annual past officers luncheon for the local club has been changed to Wednesday, June 9 at Jardine's restaurant, Tinley Park. More details will be given at the May meeting.

Due to inclement weather the past two months, club volunteers were unable to make their monthly visits to the Tinley Park State hospital. The group will plan a visit Friday, April 23 with used Christmas cards and magazines still in demand. Anyone wishing to join the group or donate cards and magazines is asked to contact Mrs. Robert Mackey, chairman.

Mrs. John Robertson, program chairman for the evening, introduced Mrs. Sterling Nelson of Frankfort, who is associated with the Inter-Varsity Christian Fellowship who work with students on the college levels with discussions on the bible, prayer meetings and other aspects dealing with religion.

The May meeting will be held in the home of Mrs. Walter Welsch, Monday, May 10 when installation of officers and convention reports will be given.

Hostesses at the current meeting were Mrs. William Miller and Mrs. F. Berle Needham.

Arbury Hills

No Decision Yet On Water-Sewer Problem

MRS. EDWARD HOVI
Telephone: 479-5740

8:30 p.m.

The Arbury Hills Civic Association held their special meeting at the school pertaining to the water situation on Tuesday evening, April 13.

Almost 150 people attended, to hear Robert Holquist and Mr. Kelleher, discuss the three alternatives open.

Following lengthy discussion, a straw vote was taken of those attending to determine the feelings of the people. With 135 ballots cast, there were 10 in favor of doing nothing, 65 in favor of forming a sanitary district, and 60 being in favor of incorporating a village.

Since there was not a majority of votes cast for anything, the Civic Association board of directors has scheduled a directors meeting for April 22 to decide whether further action should be taken on the basis of the vote, or whether to hold another meeting on the subject and take another vote to obtain a majority opinion.

The Arbury Hills Kindergarten Organization found it necessary to postpone their April meeting which has been scheduled for April 20, because the school is closed for Easter vacation. The meeting will be held, instead, next Tuesday, April 27, at

The annual spring thrift and rummage sales, sponsored by the WSCS of Palos Heights Community Methodist church, have again been combined to make shopping more convenient for those who like to attend both.

The sales will be held at the church, 121st and Harlem ave. Thursday, April 29 from 9 to 9. The rummage sale will continue Friday, April 30 from 10 a.m. to 3 p.m. Clothing, furniture, appliances, books, lamps, household articles and toys will be sold.

Miss Rita Jane Farr, daughter of Mr. and Mrs. Richard O. Farr of 14427 Beacon, has been placed on the Dean's List at Illinois Wesleyan University.

Rita graduated from Carl Sandburg high school in 1958 and she is a senior at IWU, majoring in Home Economics. She is also a member of the Home Economics club, Women's Sports Association, Sigma Kappa, and I.H.E.A. State College Club.

The following members of the confirmation class of the Methodist church received full membership at the 10:45 a.m. service Palm Sunday: Deborah Adams, James Aspel, James Bennett, Mark Browne, Beverly George and Linda Cooper, Leslie Formas, Peggy Formas, Peggy Foyle, Robyn Gadt, Kathryn Higgins, Deborah Lewis, Gail and James Lindau, Jeannine Metzger, William McKinley, Gayle Semelka, Kathy Sjo, Karen Stevens, Jenifer Wilker, William Wolske and David Zeman.

A reception for these new members was held in the basement immediately following the service.

The Auxiliary to the Arbury Hills Boys Baseball League will hold a meeting at the school on Wednesday, April 28 at 8 p.m. This will be the first meeting at which the new officers will preside.

The women point out that it is not necessary to have a child entered into the baseball program to participate in the ladies activities. Naturally, mothers of boys playing baseball should make a sincere effort to lend a hand with the working end of the baseball season.

The Arbury Hills Baby Sitters Cooperative will have their secretary's book change hands from Mrs. Rose Bodhaine to Mrs. Ardell Borchert Friday, April 30.

Any member needing a baby sitter after this date should contact Mrs. Borchert at 479-5998 at least 24 hours in advance of the date needed.

In addition, any mother in Arbury Hills who would be interested in joining the group or who would like further information on the group, should also contact Mrs. Borchert at the above number.

The Arbury Hills Boys Baseball League held a meeting at the school April 12. It was announced that there were still tickets available for the Candlelight Bowling Party May 1. Tickets are being sold by Joe Mangan at 9502 W. Hickory Street at the cost of \$3 per person. The price of the ticket includes the three games of bowling beginning at 9 p.m. followed by a cocktail hour.

Mangan wishes to remind everyone that the tickets are on a first come-first served basis, with no tickets being reserved.

There is still a great need for additional books of S & H stamp books. These books will be used to obtain uniforms for the boys on the teams.

The Texaco Service Station in Arbury Hills has a container where either loose stamps or completed books may be deposited. Three men in Arbury Hills are also collecting the stamps: Joe Mangan at 479-3921; Dick Prather at 479-5345; and Jordan Marzano at 479-9263.

The Cadette Girl Scouts of Arbury Hills went to visit their troop "Grandmother" and "Grandfather" at the Salem Old People's Home in Joliet, Wednesday, April 21. The girls decided to wait until after Easter to visit in order that they would have a less crowded visit.

Mr. and Mrs. Joe Arcuri of 19547 S. Walnut became the parents of their fifth child Thursday evening, April 15, at the Silver Cross hospital.

Michael John Arcuri was added to the family at a birth weight of seven pounds seven ounces. He joins the other members of the clan at home. Rose should surely have enough help with Joe who is thirteen, Mary who is eight, Theresa who is five, and Roseann who is three. Lots of luck, Mother!

MISS CONNIE LYNN DIXON will become the bride of John Hodge at a two o'clock double-ring ceremony June 12 at Immanuel Lutheran church, Mokena.

The bride-to-be is the daughter of Mr. and Mrs. Frank Dixon of Mokena. The bridegroom-to-be is the son of William Hodge, Cairo, Ill.

Invitations will be issued, but all relatives and friends are invited to attend both the wedding and reception which will be held in the church basement immediately following the ceremony.

The bride-elect is a senior at Lincoln-Way high school. Her fiancé is a graduate of Cairo high school. He is presently employed at Allis-Chalmers in Harvey.

Zing into spring! Chevrolet Impala

Chevrolet Impala Super Sport Coupe—one of two bucket-seated beauties for '65.

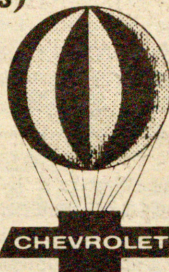

**People who buy other big expensive-looking cars
get one thing you won't (big expensive-looking payments)**

It looks like a big car. And is—by almost any standard you want to apply.

Width? Nobody builds a car as much as one inch wider. Length? It grew three inches this year. Roominess? Every closed model's got three inches more shoulder room, front and rear, and more leg and foot room up front too. Luxury? Nice little touches like the look of mellow walnut across the Impala's instrument panel. And big touches. Like the fineness of the same Body by Fisher workmanship that makes some of America's most

expensive cars look so expensive. How about the ride? Chevrolet engineers took the Jet-smooth one and smoothed it out even more this year. Also made it more stable by widening the wheel stance. Price? That's where Chevrolets fall way short of the other big expensive-looking cars. But we wouldn't have it any other way. Would you?

One last question: How soon can you make a good spring buy on a Chevrolet? One last answer: Just as soon as you can get down to your Chevrolet dealer's.

Elect Harold Braasch Grade Board President

Harold Braasch was unanimously elected president of the Orland board of education. He replaced E. T. Bengtson who retired from the board after serving a term of six years.

Board members honored Bengtson at their last meeting by presenting him with a plaque for distinguished service to the community and school district.

In retiring from office, Bengtson indicated that in his opinion the district had made strides in its efforts to continue to improve the schools' educational program and he believes they have made a real effort to spend tax monies wisely.

Bengtson did not seek reelection for reasons of health but pointed out his willingness to work with the board in an capacity to promote

and pass the coming bond issues and rate referendum.

Mr. Braasch, who succeeded Bengtson, lives at 147th st. and 108th ave., and has served on the board for four years. He was chairman of the finance committee.

Mrs. Marguerite Carroll was unanimously reelected secretary as she begins her tenth year as a member of the board. She resides at 138th st. and 79th ave., in Laguna Woods.

Paul White, newly elected member of the board who resides at 10153 Hyacinth Drive, was welcomed by all.

The regular meeting of the board will continue to be on the second and fourth Wednesday of each month, held at the Orland Park school. Meeting time is to be at 7:30 p.m.

CSHS Science Teacher Gets National Award

Frank Wing, a science teacher at Carl Sandburg has been awarded a fellowship by the National Science Foundation. Two-hundred eighty seven such awards are given by Congress and Mr. Wing is one of 20 in the State of Illinois to be counted among the recipients.

The fellowship is for summer study in the sciences (not science education) at the graduate level at any institution of higher learning in the U.S. which would offer a suitable program.

Improved Care Speeds Mental Patient Recovery

Care of the mentally ill in Illinois is receiving great impetus and improved methods of treatment are returning more patients to their homes and communities at a much faster rate than was formerly feasible.

The passage of a statewide bond referendum a few years ago provided the financial means to improve the care and treatment of such patients.

The Department of Mental Health has been designated by Governor Otto Kerner to process applications for federal funds under Public Law 88-164, the Mental Retardation Facilities and Community Mental Health Centers Construction Act of 1963, enacted by the 88th U. S. Congress.

The law provides for federal funding grants to assist non-profit private voluntary and state public agencies in the construction of mental retardation and mental health facilities.

Illinois has been allocated \$398,246 for mental retardation and \$1,597,309 for mental health centers for the fiscal year beginning July 1, 1965.

The proposed physical improvements are evident at the Tinley Park State hospital. Since the hospital opened in 1958, patients have been transferred from other hospitals.

Under the recently enacted new Mental Health Code, which went into effect July 1, 1964, the following procedures for admission to

state hospitals are: Informal, voluntary, admission on the certificate of one physician, on the certificate of two physicians, and hospitalization upon court order and emergency admission.

Under all six procedures, individuals retain all their civil rights.

The Tinley Park hospital will conform to the new mental health code admission policy as the present building program is completed and additional staff members are hired.

Under the new procedures the state has been divided into eight zones, and emphasis is being made on early diagnosis and treatment in or near the emotionally disturbed person's community.

The Tinley Park hospital will be a sub-zone center for south suburban Cook County. The zone center, a 280 bed facility, is now under construction near Hines Veterans hospital, Maywood.

Programs under consideration at Tinley Park include a day and night hospital, an alcoholic unit, full time outpatient clinic and an adolescent unit.

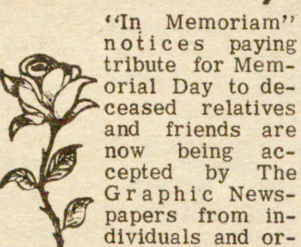

The Illinois zone concept, for which the state has been divided into eight zones, places emphasis on early diagnosis and treatment in or near the emotionally disturbed person's community.

The main objective of the zone concept is to prevent long term hospitalization of

emotionally disturbed persons and return them to their community as soon as possible.

Dr. Bernard Rubin, Chicago south zone director, met recently with Dr. John L. Cutler, superintendent of Tinley hospital and department heads to discuss the specific plans for the hospital.

Yunker Firm Plans Annual Wheel Horse Exhibition

Yunker Implement Co., at 159th and Wolf road, Orland Park, has scheduled their third annual Wheel Horse field demonstration for Saturday and Sunday, May 15 and 16 from 10 a.m. to dusk.

These two fun-filled days will be climaxed by the awarding of a pony, complete with saddle and bridle to the lucky person who has registered his name at Yunker Im-

plement. There is nothing to buy, just register.

Every half hour, two cowboy hats will be given away, free "hack" rides will also be provided and refreshments will be served.

"Come out and see the powerful Wheel Horse in action," invites Erwin Yunker, owner and operator of the firm.

beat the heat with whole-house electric air conditioning for as little as 40¢ a day

If you've had the notion that central air conditioning is something reserved for rich people, you probably haven't checked into electric air conditioning lately.

Example: Since 1955, the installed cost for whole-house electric air-conditioning systems has dropped about 1/3. This means you can have central air conditioning installed in the average 6-room home for about \$800 to \$900—and make it a haven from heat and humidity.

What do you get besides cool? A healthy family for one thing. With an electronic filter sneezes will be few and far between because over 98% of the pollens are removed from the air. And, since windows stay closed, dust and noise stay outside too. Because you're comfortable, you sleep better and eat better.

What are the dollar-and-cents facts? Installed costs are low and there's less maintenance with an electric air-conditioning system. You can keep a whole 6-room house comfortable for an average of only 40¢ worth of electricity a day...based on a 120-day cooling season. (Actual electricity costs may vary depending on house design, construction, location and weather.)

It's easy to finance whole-house electric air conditioning. Lending agencies encourage central system air conditioning on the basis that a house without it will be obsolete more quickly, and will be harder to sell. Because of this, banks and loan companies are willing to extend a loan as a part of a mortgage or offer a short-term home improvement loan when you install a central system.

Stop sweltering . . . call your air-conditioning contractor or dealer for a free estimate, today!

Son, be of good cheer; thy sins are forgiven.

—(Matt. 9:2.)

When we have feelings of guilt we should recognize our past mistakes and humbly beg for God's forgiveness. We can rest assured that God, in His infinite mercy, is always ready to grant forgiveness to sinners.

Knights Open Diamond Season With Two Wins

BY NORM BEEBE

The first Southwest Suburban conference baseball victory for the Knights this year was a 3 to 1 season opener over the Carl Sandburg Eagles, Monday, April 12 at Sandburg. Mike Derrig, a sophomore, hurled the Knights to this victory by pitching four innings and giving up only one run. Senior, Jon Davis, also made an ap-

pearance for the Knights on the mound by pitching three innings and giving up two hits.

Derrig not only made the Eagles aware of his pitching ability, but also proved himself a mean man with a bat by hitting two for two, both hits being doubles, and knocking in all three Lincoln-Way runs. Dale Ebert also proved his hitting

ability by connecting with two out of three and scoring one of the Knights three runs. Veteran center fielder, Rick Fitzgerald, maintained his high hitting percentage from last year by slamming 3 for 4 and scoring the final two runs for the Knights.

The losing pitcher for the Eagles was Roth. He pitched 7 innings and gave up 8 hits with two wild pitches. Sandburg was credited with 4 hits by Richardson, Aliona, Ivins and Dekeytogh.

Saturday afternoon the Lincoln-Way nine, downed the Lockport Porters 5 to 2 at Lincoln-Way. Jon Davis took the game honors this time for the Knights by pitching 6 innings, giving up five hits, walking five and striking out seven. Mike Derrig finished the game for

Davis by striking out the only two men he faced.

The Knights slammed eight hits off the losing pitcher Lane and two off his cohort, Ebenrath, while giving up only five hits to the Porters. All but one of the 5 hits by the Porters came off the bats of Don Homerding and Gary Hartz.

Lockport was the first to score in the game when Barry Anderson stole home. The tables turned during the Lincoln-Way half of the first. Ken Kamradt started the ball rolling for the Knights by knocking a single to center-field and later coming home on a double off the bat of Rick Fitzgerald. Jon Davis, the pitcher, then connected with a double and Larry Sorenson cleared the bases with a hot single to end the first with Lincoln-Way

two runs over the Porters.

The Knights managed to knock in two more runs in the second inning, concluding their scoring for the afternoon. The Porters rallied in the final inning with one run to end their scor-

ing and the game.

The Knights are scheduled to meet the Evergreen Park Mustangs April 21 at Lincoln-Way for their first home conference game.

Sandburg Tennis Teams Win Last Two Meets

BY MARTY BARNHART

The Carl Sandburg tennis team, altho in its first season of competition, is shaping up as one of the better teams in the area.

This statement was supported last week as the Eagles scored two successive victories against Joliet Central, 3-2, and against Lockport West, 5-0. These two victories off-set the opening 5-0 loss against a powerful Argo, and left the team with a 2-1 record thus far this season.

With heavy competition consisting of 15 dual meets, the racket squad went against three more teams this week and will take on three more next week.

Against Joliet Central, the Eagles found themselves against a tough foe, with the outcome in doubt until the last match. Singles matches saw victories posted by Mark Moyle, 6-2 and 6-2; and by Dennis Sundstrum 6-8, 6-2, and 8-6. Chuck Compher however fell victim to a Joliet victory, 6-3 and 6-2. In the double competition first doubles team of Bill Reed and Tim Sedgwick came out on the short end 3-6 and 0-6. Neal Gould and Tom O'Brien on the other hand, scored victories of 6-4 and 6-3.

Lockport West posed no problem to the Eagles, the Sandburgs winning every match to bring the score to a lopsided 5-0 victory. Playing with water on the courts

single matches the players were only able to play pro matches (that is the first team to win 10 games). Singles matches were won by Mark Moyle, 10-1, Chuck Compher, 10-1; and Bob Janeczek, 10-3. Doubles teams fared equally as well with Tim Sedgwick and Bill Reed winning 10-4 and Tom O'Brien and Neal Gould winning 10-2.

"The boys have been making an excellent showing," said Coach Larry Henson, "with all things considered, but it is too early in the season to tell exactly what kind of team we have."

This week the Eagles will ready themselves for matches against Rich Central, Tinley Park and Thornridge.

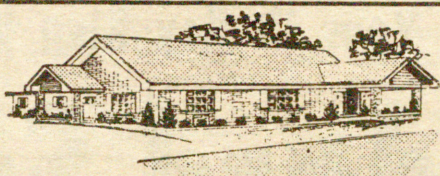

Ottawa Wins State Music Sweepstakes

Ottawa high school won the sweepstakes trophy for Class A high schools in the annual state music contest, for the second year running, and Lincoln-Way was in the runner-up role for the second consecutive time.

The finals, which were conducted at Lincoln-Way wound up with Ottawa on top with a total of 223 points. Lincoln-Way finished with 210 points. Harlem high, of Rockford, was third with 149 points; Plainfield was fourth with 146; Sycamore fifth, with 140, and Joliet East sixth with 136. Joliet East was represented only by its band, it's choruses being engaged in rehearsals for a special Easter program.

Lincoln-Way's band and girls glee club had superior ratings but the boys glee club and the mixed chorus were dropped to excellent and only superior ratings were considered. Both units were given superior ratings on their prepared numbers stumbled on the sight reading just enough to miss top spots. All four Lincoln-Way entries had to get superiors to win the first place trophy.

Good Pitch, Good Field, No Hit, Is Eagles Story

BY BILL KAROLICH

The Sandburg Eagles opened their 1965 conference baseball season with a 3-1 loss to the Lincoln-Way Knights.

Coach Eade received his good pitching, had his good defense, but the batting just didn't come around. The Eagles made four hits in the game, two of these in the last inning. One big problem with the hitting is a total of 36 strikeouts in four games.

Roland Roth pitched a good game. Two of the runs were earned. He struck out nine, walked five, and gave up seven hits.

Tuesday, April 13, the Thornton Wildcats crushed the Eagles 11-2, in a game which again displayed the pitiful offensive unit for the Eagles. In this game, not only did the hitting do poorly, the pitching collapsed, and the defense pulled many mental lapses.

Starting pitcher, Jeff Bodwin, was shelled for nine runs in three innings. It was his first start of the season, and he had control trouble. Ed Peterson relieved Bodwin in the fourth and gave up two runs, one of which was earned. He struck out six and walked one.

Coach Eade is still confident that the hitting will come around. The Thornton game was a good game for the players to get all the mistakes out of their systems.

Next week will be a tough

Golf Team Loses To Lemont

ED PETERSON

The varsity golf squad lost their opener to Lemont Tuesday by a total of eight strokes. Playing the front nine at Oak Hills, the Eagles were hindered by the fact that they had only one out-of-doors practice prior to the meet. The Lemont squad, on the other hand, had been practicing outside regularly.

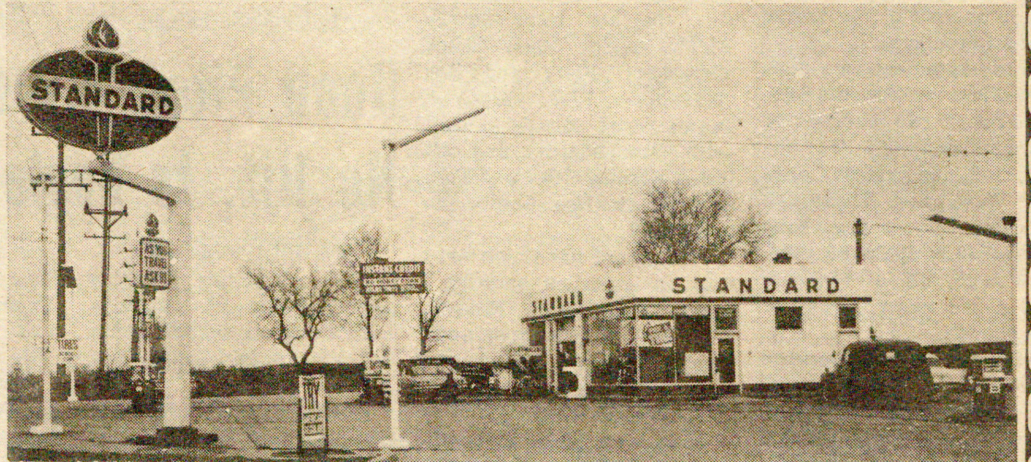

Low medalist for the event was Joe Mangram of Lemont with a 39, followed closely by Dave MacIntosh and his 40. Eagle Jim Davis, substituting for the ill Curt Yelnick, surprised everyone with a 41. Other Eagle scorers were Bill MacIntosh, 46, and Dick Weber, 47.

The Eagle Sophs emerged victorious with a smashing 24 stroke win. Low medalist was Bruce Yelnick, 39, followed by Al Sprinkle and Jim Malony with identical 40's. Bert Coghill was the last scorer with a 43.
